Hangman game rules

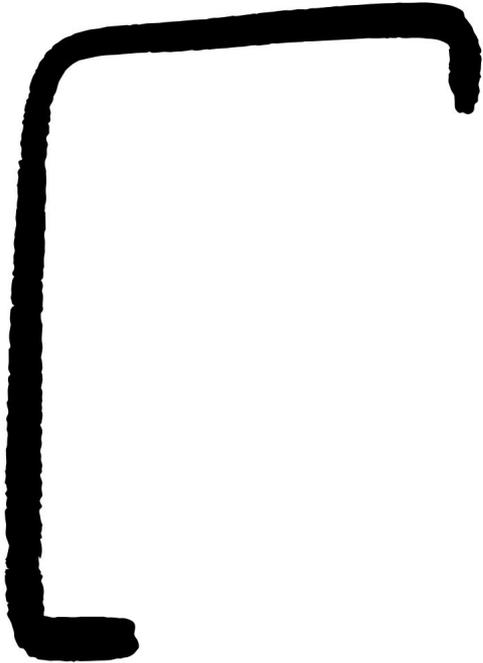

Goal: Guess the hidden word by choosing letters before the picture is complete.

How to play:

1. One person chooses a secret word.
2. The other players guess one letter at a time.
3. If the letter is in the word, the letter is written in the correct space(s).
4. If the letter is not in the word, A body part is drawn (head, body, arms, legs)
5. **The game ends when:** The players guess the word (they win), or the full stick figure is drawn (they lose).

Let's play Hangman!

Think of a word. Figure out how many letters the word contains. However many letters your word contains is the amount of lines you will need.
